Badgers

WHAT THE CHILDREN HAVE PARTICULARLY ENJOYED DURING THE LAST 6 WEEKS

Fox cubs staff have told us that the children have particularly enjoyed the outdoor learning environment and going on trips to local parks and around the surrounding areas.

We will ensure that all children are exploring the badger's outdoor learning environment trying out our music wall, mud kitchen and water wall.

OUTCOME FROM OUR PLANNING MEETING (each baby has their own next steps, below are some ideas from our planning meeting that support the room. Individual needs will still be planned for).

A big hello and warm welcome to all our new Badger's parents and children. We are all very much looking forward to getting to know you and your child/ children and helping them develop in their own unique way.

This term we are focusing on "all about me". This will allow us to get to know your child and their individual interests and know them as an individual.

We will also be incorporating lots of fun activities which include, "talk like a pirate day".

We are also going to be taking a trip to the dog's trust to celebrate "National dog week". (Date to be confirmed).

With the Autumn days fast approaching the children will be involved in lots of Autumn activities. These will include walks around the surrounding areas looking and exploring and collecting, hopefully leaves, conkers, acorns etc. we will then use these within the classroom to do lots of fun art and craft activities.

Towards the end of term we will also be looking at and talking about Diwali. The children will be involved in making and tasting a variety of Indian foods. They we also have the opportunity to make their own lanterns.

We hope your child/ children will be very happy with us in badgers.

KEY DATES

Talk and dress like a pirate day, Tuesday 19th September

Jeans for Genes day Friday 22nd September.

2nd October 10-11.30
Grandparents day

Parents evening 9th and 11th October

PARTNERSHIP WITH PARENTS

Please encourage your child to wear Jeans on Friday 22nd September, £1 donation. To support this worthy cause for children with heart conditions.

As your child has now moved up to a new room we would love to have some family pictures for our displays, also encouraging to children to talk about their families and extend on their learning.

We would like to invite granddads and grandmas to come along to our Grandparents day and join their children for a play and a yummy snack. 10-11.30

Polite Notices

Could you please provide your child with a named water bottle.

Also, wherever possible could we label your child's clothing.

By the end of next week everyone will have received an all about me leaflet, please could you return this to us ASAP. Thank you.

Please remember to encourage your child/ children to use the self-registration board.

ROUTINES

Our badger's daily routine is presented on badgers' main door.

Throughout the week do lots of extra-curricular activities such as yoga, teeny movers and music and movement for your child to participate in.

We will start introducing social communication groups, where we do small group activities to encourage the children's confidence and build new friendships.

WHAT WE THINK WE CAN DO BETTER

As a staff team, we reflected on the last 6 weeks.

As your children have moved into a new room we want you all to feel at home and feel that you are getting the best possible hand overs and continuous outstanding care for them. Please raise any concerns that you may have.

If you have any other suggestions, please email us at woodlands@parklanekids.co.uk

NEWS

Natalie Beaumont is soon to be leaving our team to start her maternity leave.

We wish her all the best and will miss her lots.

For more information about the curriculum your children are learning (EYFS) or how they learn please visit our website www.parklanekids.co.uk and look on the parent's page. We have also uploaded lots of interesting articles and factsheets on the early years which include some great activities to play with your children.
